*** Animal Law featured in the Oregon Bar Bulletin***

The Evolution of Animal Law may be found at:

<http://www.osbar.org/publications/bulletin/08febmar/animallaw.html>

Treasurer Report:

We have \$196 in our account. Here is a link to our financial status as of March 31, 2008:

<http://www.osbar.org/docs/sections/financials/08/08March.pdf> (Click on "Animal Law" on the left.) We have 61 members as of today. <http://www.osbar.org/sections/animal.html>.

Legislation Report:

April 2, 2008 the opportunity to propose new laws for the next legislative session closed. We may comment on other laws as the proposals circulate. All members are encouraged to keep alert for any laws which might be of interest to the Section and report them to the Legislation Committee.

Disaster Report:

The Oregon Response Plan for Animals in Disaster was rolled out in February by the Oregon Department of Agriculture. It directs each county to develop its own plan consistent with the guidance of the state plan.

Oregon Department of Agriculture, Animal Health and Identification Division

Phone: 503-986-4680. <http://oregon.gov/ODA/AHID>. Disaster Committee is co-organizing the June CLE in Olympia with the Washington Section (see Professional Outreach). Committee is participating in the Multi-County Task Force for Disaster Planning in the Portland metro region. Committee is participating in the City-County task force studying the Provision of Animal Welfare Services (Portland/Multnomah County).

Public Outreach (Jami Pannell: jpannell@lclark.edu)

Including animal law clinics at humane societies, and Legal links cable television programs and brochures

Professional Outreach (Laura Ireland Moore: lireland@lclark.edu) Including brown bag CLEs, increased presence at Judicial conferences and DA conferences, and development of the section website

- Legislation (Stephan Otto: sotto@aldf.org); Proposing new laws, revisions to existing laws, and commenting on proposed new laws before they are voted by the Legislature (*strict rules may apply to this activity so check with the Section leader*)
- Animals in Disasters (Robert Simon: robert@rssimonlaw.com): Participate in regional and national disaster planning and assistance efforts underway pursuant to Pets Evacuation and Transportation Standards Act of 2006 PL No. 109-308 (Oct 6, 2006).
